DEPARTMENT OF EVENING STUDIES - MULTI DISCIPLINARY RESEARCH CENTRE

ABOUT THE DEPARTMENT

The Department of Evening Studies-Multi Disciplinary Research Centre provides a unique opportunity of learning through interactive teaching to the women, self-employed as well as in-service men.

The Department with its illustrious faculty, functions as a center for interdisciplinary pedagogy of Academic and research. It caters to the undergraduate courses of Bachelor of Arts and Commerce. In addition to this, department offers postgraduate courses in five disciplines 1. English 2. Economics 3. History 4. Punjabi 5. Political Science. Being Multi-Disciplinary Research Centre, it is research hub for Ph.D Scholars and promotes high quality of research work in various disciplines. Our students achieve distinctions in various academic, cultural and sports activities. The Department also organizes seminars, extension lectures/workshops for the benefit of students and faculty. It also organizes Blood Donation Camp every year and number of our students participate in social service through NSS. The Department also provides full cooperation and help to the needy students, if they opt, through University's earn while learn scheme.

The DES-MDRC Library is air-conditioned and equipped with digitized catalogue. The Library has, at present approx.30,000 books.

The Department has an air-conditioned state -of -the -art "Principal P.L. Anand Auditorium".

Extracts from the decision of the Syndicate dated 22.02.2006 (Para 34) are reproduced below:-

The criterion of 'employment' as a condition of eligibility for admission to the Department of Evening Studies be understood, interpreted and applied liberally and pragmatically, keeping in mind the social purpose of providing opportunity especially to the underprivileged to upgrade their skills. Accordingly, 'employment' would include not only 'private employment of any kind' but self employment as well. Certificate by the candidate that he is so employed or self-employed would, therefore, suffice

CENTRE FOR DISTANCE AND ONLINE EDUCATION (CDOE) FORMERLY (USOL)

ABOUT CDOE

The Centre for Distance and Online Education, formerly USOL, was established in 1971 as Directorate of Distance Education. Since its inception, it has emerged as one of the premier institutes of distance and open learning which takes education beyond the four walls of the University.

This multi-faculty, multi-disciplinary department offers a wide range of programmes. In addition to traditional undergraduate, post-graduate programmes, CDOE offers an array of professional, diploma and certificate programmes to cater to the needs of an emerging knowledge society. The students enrolled in these programmes undertake the same curriculum and examination as their counterparts in regular programmes of the university.

With approximately 12,000 learners on its rolls, CDOE provides interactive learner-centered study material. The study material comprising printed lessons (primarily in the self-learning mode) is prepared by subject experts. For the undergraduate programmes, the study material is made available in English, Hindi and Punjabi. Keeping abreast of the latest developments, CDOE has also initiated the dissemination of study material online. Besides, Personal Contact Programmes are conducted periodically. CDOE has a highly qualified faculty which is actively involved in both teaching and research.

CDOE offers effective student learner support services like Educational Media Centre, well equipped Computer Lab and labs for Geography, Psychology, Defence Studies, Guidance and Counseling etc. It has a well-stocked library (over 1,00,000 books approx.) with computer facility and Book Bank facility. It also has a placement and guidance cell. CDOE organizes a number of co-curricular activities for its students, prominent being Hunar, Sports Day and Annual Competition in Essay writing, Storywriting & Poetry writing in Hindi, Punjabi, English & Competition in Photography. CDOE has been bringing out students' Magazine on yearly basis, showcasing selected contribution by CDOE students. Besides, a peer-reviewed journal 'Indian Journal of Distance Education' is published annually since 1987. Magazine on yearly basis, showcasing selected contribution by CDOE students. Besides, a peer-reviewed journal 'Indian Journal of Distance Education' is published annually since 1987.

PANJAB UNIVERSITY SWAMI SARVANAND GIRI REGIONAL CENTRE UNA ROAD BAJWARA, HOSHIARPUR

ABOUT THE CENTRE

Keeping with its long tradition of pursuing excellence in teaching and research, Panjab University, Chandigarh established a Regional Centre in the Kandi area of Punjab to cater to the academic needs of the rural students of the region. Earlier known as Swami Sarvanand Giri Regional Centre, this campus was renamed as Panjab University Swami Sarvanand Giri Regional Centre in the year 2011. Spread in a picturesque environment near Shivalik foothills, the centre is a landmark donation of an infrastructure spread in 10.86 acres of lush green area in the land of saints (Hoshiarpur) by Dr. Lajpat Rai Munger. The Centre was started with an aim to provide innovation and pre-eminence in the fields of Engineering and Research, conforming to the standards of Panjab University, Chandigarh. The Centre has been reinstated with several branches like University Institute of Engineering and technology (UIET), Department of Computer Science and Applications (DCSA) and University Institute of Legal Studies (UILS).

The Panjab University SSG Regional Centre has been, since its inception, actively involved in producing brilliant engineers, technocrats, entrepreneurs, advocates, judges and above all, good human beings who indulged in the service of humanity through their respective streams. The lush green environment adds to the imbue of ethics, values through technology amongst the students.

The Institute boasts of young and dynamic faculty who are not just well qualified but stand committed to the research as well. The campus is fully Wi-Fi enabled. The Institute boasts of an excellent placement record. Though an off campus establishment of Panjab University, Chandigarh, PUSGRC, Hoshiarpur is technologically, quite advanced and competes at Global level. The students at PUSGRC are trained in such a way that they are made job-compatible not just at Regional level but at International level as well. An Entrepreneur Development Cell of the Centre aims at producing a general of students who are not just Job-Seekers but are Job-Givers as well. The Centre has well equipped infrastructure self-sufficiency state of the art laboratories and workshops. The campus offers hostel accommodation for both boys and girls with Wi-Fi facility, Health Centre, 500 Mbps leased line Internet Connectivity, buses for transportation, 24 hours uninterrupted power supply 500 KVA Generators.

For channelizing the energy of the young minds, the campus also offers NSS, NCC Gymnasium and all other necessary sports and cultural amenities. It also houses an air conditioned auditorium with seating capacity of more than 300 persons for academic and cultural activities. The institutes actively participate in Youth Festivals of the University at Zonal, Inter-Zonal, State and National level. Recently, the Folk Dance-Girls (Sammiu) team of PUSGRC, Hoshiarpur won laurels not just for the Institute and the University but also for the Punjab State by participating and winning positions at Zonal, Inter-Zonal, State and National level.

UNIVERSITY INSTITUTE OF ENGINEERING & TECHNOLOGY (UIET)

Belligerent technical minds, passionate programmers, stoic mechanics and other such flamboyant arenas of robotics, UIET, HOSHIARPUR the Engineering Department of PUSGRC corroborates a jamboree of professional technical streams inculcating more than 1000 budding engineers. Be it be, the Computer Science Department excelling in producing ebullient tech-heads ever ready to explore the mystique world of computers, the Electronics and Communication Department, endeavoring with its best of best robots, mazing digital designs and ever exploring and connecting world of Communications, the Mechanical Department, pertaining with its never-ending zeal for combating engines, machines and may be the fire rockets!!, the Electrical and Electronics Department, exploring their intrigue world of circuits, power electronics and empowering motors with their commendable passions, and last but not the least, the Information and Technology Department, creating such inquisitive cluster of youth, ready to knit up every node of the world with their conjuring softwares

UNIVERSITY INSTITUTE OF LEGAL STUDIES

The University Institute of Legal Studies (UILS) was established at Panjab University SSG regional Centre Hoshiarpur, in 2007 with the mission of delivering Quality Legal Education to students in rural areas. The Institute offers a 5-year integrated BALLB (Hons.) course, a 3-year LLB course, and a 1-year LLM course through its regular mode of instruction.

The primary objective of UILS is to serve society by fostering reforms in legal services and producing professionally competent lawyers, researchers, judicial officers, advocates on record, and, above all, socially responsible citizens who will wholeheartedly and continually contribute to nation-building.

As one of the prominent multi-faculty off-campus centres of Panjab University, Chandigarh, UILS, PUSSGRC works in harmony with the University Institute of Legal Studies and the Department of Laws at Panjab University, Chandigarh. The syllabus and teaching methodologies followed at the Centre are identical to those of Panjab University. The Institute is staffed by highly qualified law faculty and experts in social sciences and languages, many of whom hold doctoral degrees in their respective fields. Among the Department's key facilities are a well-established library and an Advocacy-cum-Communication Skills Lab. UILS, PUSSGRC, consistently produces university toppers and boasts a 100% placement record. The Institute takes great pride in its alumni, who are actively contributing to the nation and humanity by administering justice to those in need.

DCSA, PUSSGRC Hoshiarpur**About the Department of Computer Science and Applications (DCSA, PUSSGRC Hoshiarpur)**

The Department of Computer Science and Applications (DCSA) was started at Panjab University Swami Sarvanand Giri Regional Center, Hoshiarpur in 2007 by introducing the course. Master of Computer Application (MCA) with the aim to ingrain the spirit of innovativeness and technical competence in the students through rigorous competition and regular guidance . DCSA is running MCA and PGDCA course exclusively designed to meet the latest challenges of IT industry. The

well balanced courses significantly emphasis on planning, designing, coding and testing the complex commercial/ scientific application and system software. A two years full-time MCA course is not just a postgraduate course; it is also a complete professional grooming for students for a successful career in IT industry.
